Join the Fortescue Anglers

For the 2018 Fishing Season!

www. Fortescue Anglers .org

The Fortescue Anglers is a local non-profit club for fishermen and sportsmen. Our monthly meetings feature presentations by state and local wildlife experts, private and public researchers and elected officials who can share their initiatives and perspectives on fishing, hunting and environmental issues impacting the Delaware Bay and neighboring communities.

We meet on the second Saturday of the month, April through October, at the Fortescue Fire Hall @ 7:30pm. These are both social and informative events. Come enjoy the company of other anglers that share your interests. Food and beverages are served at each meeting.

Members can participate in numerous free fishing competitions throughout the season including best monthly fish, holiday weekend fish-offs, 2 day tournaments and a fall striper tournament. Plus the club hosts two family picnics each year.
